

HONORS

BE WHO YOU WANT TO BE AT FRANKLIN PIERCE UNIVERSITY

ALYSSA BLOOMINGDALE '15

The **Honors Program** recognizes exceptional academic achievement. The courses, contracts, conferences, and sponsored activities will enhance both your academic and social experiences on campus.

You will join a community of like-minded students to seek academic, research, and social opportunities outside the classroom. You will submit papers, posters, and roundtable topic proposals to present your work at regional and national conferences where you'll engage with Honors students from across the nation.

Invitation to join the Honors Program is offered at the time of admission. Selection is based on high school academic performance and evidence of potential for academic excellence.

You may also receive an invitation to join the program upon completion of one semester with a cumulative grade point average of 3.40 or higher.

To graduate from the Honors Program, you must achieve a cumulative grade point average of 3.40 or higher and successfully complete seven honors courses.

HONORS

HONORS PROGRAM OPPORTUNITIES

- Honors-dedicated sections of general and liberal education courses, taught by faculty who take a special interest in working with highly motivated students
 - The opportunity to work individually with faculty in your areas of interest on specific projects that transform a normally scheduled course into an Honors experience
