PARTNER UP WITH FRANKLIN PIERCE UNIVERSITY AND REAP THE BENEFITS

All partner employees receive 20% off online tuition!

Create a workforce that will never stand still

Innovation and reinvention through continuous education

The Center for Professional Programs and Partnerships was created to help businesses like yours foster an engaged workforce, equipped to meet the business challenges of tomorrow. Your business can have access to education benefits designed to develop leaders, enhance employee skills, grow your workforce—and your business. And we offer partners a 20% discount that applies to each employee and their immediate family members.

When you make your people better, you make your business better

A commitment to continuous learning

Your employees can finish a bachelor's degree, start a new graduate degree, or obtain a specific industry certification 100% online in programs that provide the support and flexibility working adults need to be successful, without taking time off from their career. Already offering tuition reimbursement? Make your investment go even further and include a 20% tuition discount to your employees and their families as part of your benefit package.

Attract, develop and retain high performing employees

Customized learning solutions & professional development

At Franklin Pierce University, we deliver programs with the same experienced faculty as our on-campus offerings in an online format. From micro-credentialing and certificate programs to a wide array of undergraduate or graduate degrees, all courses are offered within an affordable, fast, and flexible learning environment.

Connect with our Career Center and take advantage of all we have to offer from access to Handshake to recruiting our highly motivated students for internships and full-time positions.

UNIVERSITY

Leverage your partnership benefits to recruit, develop, and retain high performing employees.

Franklin Pierce University uses **Handshake**, a robust platform for college recruiting, to share job and internship opportunities and to promote your organization's recruiting events with our student and alumni community.

As a member of the Center for Professional Programs and Partnerships, you can create an **Employer and User Profile** so that students and alumni may learn more about your company, internship opportunities, and open positions. Handshake allows for multiple contacts so that employees from across your organization can post and contact students who are a good fit for your positions.
