FRANKLIN PIERCE UNIVERSITY

FRANKLIN PIERCE UNIVERSITY HONOR ROLL OF DONORS 2022

Dear Franklin Pierce Alumni and Friends,

On behalf of our students, faculty, and staff, I am pleased to share this Honor Roll of Donors and acknowledge our many supportive and loyal donors during fiscal year 2021-2022. Your generosity demonstrates a continued commitment to Franklin Pierce University, and every member of Raven Nation. As we celebrate the 60th anniversary of our founding, your support has helped to ensure the opportunity of a Franklin Pierce education for decades to come.

When Frank S. DiPietro founded Franklin Pierce College in 1962, he never could have imagined that the small institution of 90 students housed under the foot of Mt. Monadnock would grow to encompass a far-reaching geographic and virtual network. Whether from our 1,200 acre campus in Rindge, N.H., or our Academic Centers in Manchester and Lebanon, N.H., and Goodyear, A.Z., or online, one thing has not changed: we meet students where they are, enabling them to succeed academically and prepare for rewarding lives and careers.

This year marks the halfway point of our strategic plan, *Pierce@60*. When we launched *Pierce@60* in 2020, it was an ambitious, results-oriented plan, incorporating our values of inclusion and innovation throughout. Two years in, I am proud to share that we have met many of our milestone goals, including the establishment of the Office of Diversity, Equity and Inclusion, the continued expansion of programs in Arizona, the creation of a University-wide Center for Teaching and Learning, and the launch of a new institutional website.

All of these accomplishments, and the work toward other milestone goals that is still underway, capitalize on the strengths of our diverse community of students, faculty, staff, alumni, parents, and friends of the University. Over the last year, we've made strategic investments in student engagement spaces, classrooms, and athletic facilities, aimed at enhancing the overall student experience. And it could not have been possible without your support.

Thank you for your investment in our students and the entire Franklin Pierce community.

Ever forward,

Kim Mooney '83
President

FRANKLIN PIERCE HELPS STUDENTS DISCOVER THEIR PERSONAL POTENTIAL TO TRANSFORM AND ACHIEVE.

YOU HELP THEM SOAR AND BE THE CHANGE THE WORLD NEEDS.

Here is how your support during our 2021 - 2022 fiscal year had a direct and lasting impact on our students:

- Your gifts to the **Pierce Annual Fund** allowed our students to learn in an environment that fosters individual growth and transformation. Because of you, our students benefited from the latest in academic innovation, thought leadership, and expanded offerings that will set them on a path to have real-world impact.
- Your investment in **scholarships** helped ensure that the Franklin Pierce experience remains accessible giving more students the opportunity to experience all that Pierce has to offer inside and outside the classroom.
- Your support of **capital** improvements enhanced the physical and programmatic opportunities we provide and allowed our students to thrive. You helped us create new living and learning spaces, expand programming to meet the needs of our diverse student-body, and left a legacy for current students and future generations.
- Your contributions to **athletics** gave our NCAA Division II student-athletes the resources needed to excel competitively and created the foundation of teamwork and skills that will help them be the leaders of tomorrow.

RECOGNIZING OUR GENEROUS AND LOYAL SUPPORTERS

Franklin Pierce University is grateful for the generous and loyal donors who contributed during our 2021-2022 fiscal year (June 1, 2021-May 31, 2022). Your support of the Pierce Annual Fund, scholarships, capital improvements, athletics, and other initiatives has a direct and lasting impact on our students. We are also grateful for the many ways you showed your support as volunteers, mentors, and ambassadors to Franklin Pierce. Thank you for your investment in changing lives!
