SENIOR SURVEY – Class of 2012
College of Rindge
Each year the Career Services office conducts a survey of graduates from the Rindge Campus regarding their post-graduation plans. Initial data is collected in May with a more formal survey being conducted the following December. Information on current employment status is collected through an electronic survey, phone calls, in-person contacts and social media.

Of the 262 individuals surveyed, career information was obtained from 163 graduates (62.2%).

Of those responding to the survey:

- 122 (74.8%) were employed in professional positions
- 40 (24.5%) were enrolled in graduate school or planning to attend graduate school in 2013
- 16 (9.8%) were still looking for jobs or employed in summer, temporary or non-professional positions
