

**Campus Recreation
Statement of Mission**

The mission of the Department of Campus Recreation is to foster and promote a healthy learning environment for students, alumni, faculty/staff, and community members by implementing innovative and exciting opportunities that encourage intellectual, physical, and social well being. We strive to provide positive co-curricular activities and experiences designed to enrich lives, develop talents, and provide an arena for discovery and self-exploration.

"The Bubble: it's a way of life."
- Brandon Mayville, Student

North Fields...**

was first inflated on December 15, 1995, and later opened in 1996. The Bubble covers 72,000 square feet and rises to a height of seven stories. The Bubble is home to a complete cardio/strength area, free weight area, two full tennis courts, multi-purpose area, two full basketball/volleyball courts, a batting cage, 50-yard turf and a two lane track. This state-of-the-art facility is open to students, faculty/staff, alumni, community members and many other groups that utilize its many recreational possibilities.

If you or someone you know are interested in joining our facility, please inquire at our reception desk in the lower lobby of the Clubhouse.

BASIC FACILITY POLICIES:

- A second pair of clean shoes must be presented and changed into prior to entering through the revolving door. This policy ensures added longevity and function to our flooring and equipment.
- Only water is allowed through the revolving door. Food and other drink may be consumed in the Clubhouse or lobby area.
