

Dear Online Students,

Campus leadership continues to explore how to best safeguard the well-being of our community. The administration, faculty and staff are committed to ensuring that all students have the means to achieve academic progress during these unprecedented times we are facing.

All online undergraduate and graduate programs will continue in their current Canvas online format without interruption. In the event that a faculty member contracts COVID-19, we are prepared to provide faculty substitutions to ensure classes continue without interruption.

Franklin Pierce University will continue to provide students with all the academic resources currently in place.

Please keep the following points in mind:
