Important Reminders About Move In

We are so excited that in just 48 hours, we will begin welcoming students to our Rindge Campus!

This email will provide you some final reminders to help make your experience of testing and move in go as smoothly as possible.

- Please arrive no earlier than 10-15 minutes prior to your scheduled move-in time. If you have not scheduled a move-in time, please do not come to campus without Residence Life approval. **THERE WILL BE NO MOVE IN or CHECK-INS OVERNIGHT without prior approval from Residence Life.** You will need to stay off campus until cleared by Residence Life.
- Please have your completed [Consent Form](#) and [HIPAA Waiver](#) printed and completed upon arrival.
- If you are bringing your negative COVID-19 test results, taken within 72 hour prior to your arrival with you, please have those printed for ConvenientMD.
- Please make sure that you have completed the required [COVID-19 training modules](#) on Safe Colleges and agreed to the Acknowledgement and Consent form. **This is not optional.**
- Please enter campus via University Drive from Rt. 119. Mountain Road will be closed to traffic for the entire move-in process.
- All cars will stop at Four Corners, the intersection of University Drive and Mountain Road, as you arrive, to assure that everyone in your car has a mask. Please bring one for each person, and plan on wearing it. **This is not optional.**
- **If you are a commuter student**, you still must provide Health Services with a negative COVID-19 test result, taken within 72 hours of the first day of classes, or you must sign up to schedule a test on campus August 16, 17, 18, or 19. New Commuter Students may sign up for testing [here](#). Returning Commuter Students may sign up for testing [here](#). **If you fail to do so, you will not be permitted on campus until a negative test can be provided. This is not optional.**

If there are any concerns or additional questions, please refer first to our [Ravens Return website](#). If you have additional questions or concerns, please contact me directly.
