

Dear FPU Students,

As I am sure you are aware, our senior leadership team continues to explore how to best safeguard the well-being of our community. The administration, faculty and staff are committed to ensuring that all students have the means to achieve academic progress during these unprecedented times. We will all need to work together and be flexible as we move to alternate methods for course delivery as well as testing and assessments.

Please keep the following points in mind:

- Continually monitor all FPU lines of communications for updates, especially the [website coronavirus page](#). Please also follow FPU on Facebook and Twitter.
- Your faculty will be in contact with you and you should not hesitate to reach out to them.
