

OFFICE OF THE PRESIDENT

Dear Spring Athletes:

As you are aware, the Northeast-10 Conference Council of Presidents, following the recommendations of the NCAA and federal and state authorities, unanimously voted to suspend the remainder of spring 2020 sport seasons, including spring championships. The decision is the responsible action to safeguard the health and well-being of our student-athletes and communities.

Your disappointment and sorrow are shared by the Franklin Pierce community. As student-athletes, you bring a vibrancy and energy to the campus that we all admire and treasure. Personally, Greg and I are heartbroken we won't be able to watch you and your teammates represent the University competitively this spring. In particular, I would like to recognize our senior student-athletes for all the work and sweat they have poured into our programs and teams over the last four years, only to have their final senior season end prematurely. I am also grateful to your coaches and the athletic department staff for their tireless efforts on your behalf.

You continue to have the full support of our University community and all of Raven Nation. We look forward to cheering you on from the stands just as soon as we can safely resume competition. Thank you for your hard work, your passion, your leadership, and your continued dedication to making the Franklin Pierce community as strong and resilient as it is.

Sincerely,

A handwritten signature in blue ink that reads "Liam Mooney". The signature is fluid and cursive, with the first name "Liam" and last name "Mooney" clearly distinguishable.

President Mooney
