

## OFFICE OF THE PRESIDENT

February 25, 2021

Dear Raven Nation:

I want to share how proud I am of this community. We have faced and overcome so many challenges presented by the pandemic over the last year. Most recently, we endured a temporary shelter-in-place on the Rindge campus in an effort to lower our active case count and slow the spread of COVID-19.

The 10-day shelter-in-place period required adaptability and fortitude by all members of our community, especially our students. Your adherence to the heightened protocols indeed helped us drop our active case count considerably. Thank you, Raven Nation, for continuing to demonstrate we are in this **together**.

While we will continue to see the presence of COVID-19 on our campus throughout the spring, I feel confident that we are taking the precautionary steps required to complete the semester in-person and on-campus safely.

In appreciation of your continued efforts and support, **please stop by the Library Café on Friday, February 26 between 12 – 3 p.m. for complimentary hot cocoa and cookies!**

Sincerely,

A handwritten signature in black ink that reads "Kim Mooney". The signature is written in a cursive, flowing style.

Kim Mooney '83  
President
