

# Recommendation for Admission:

Franklin Pierce University & St. George's University  
Combined Undergraduate & MD or DVM Program

## To the Evaluator:

The following applicant has applied for admission to a unique program at Franklin Pierce University that selects highly qualified candidates for admission to an undergraduate program in Health Sciences or Biology with a pathway to the Doctor of Medicine or Doctor of Veterinary Medicine at St. George's University (SGU) in Grenada, West Indies. Candidates for this program are expected to have a genuine desire to serve as a healer, have a reputation for integrity, strong interpersonal skills, and the ability to perform well academically in all courses. They must also demonstrate dedication and self-discipline to meet all program requirements and expectations.

Your evaluation is essential to our assessment of this candidate's ability to meet these high standards. Please provide the admissions committee with a letter of recommendation that comments on the student's abilities in each of the following areas:

- Commitment to learning:** The student's ability to identify resources of learning, to utilize these resources effectively, and to demonstrate the desire to continue to seek out knowledge and increasing understanding.
- Interpersonal skills:** The ability to work with a variety of peers as well as with supervisors and other individuals of authority.
- Responsibility:** Fulfilling obligations in a self-directed environment.

Please complete this brief questionnaire, and return with your letter to Franklin Pierce University, Office of Admissions, 40 University Drive, Rindge, NH 03461.
