FPU BRINGS A TRADITION OF EXCELLENCE
INTO THE VISUAL ARTS MINOR

Visual art connects the world in a personal way. The Visual Arts minor is designed to enhance your creative and artistic ability, while appreciating the rich history of art.

You will explore art in a variety of ways while studying unique artistic concepts, such as painting and glassblowing, alongside the history and foundations of art concepts.

This program is designed to work with a range of majors that value creative thinking and practices. The skills you will develop can help you gain a competitive edge in a number of industries, including art, business, and manufacturing.

To earn a minor in the Visual Arts you must successfully complete 18 credits of study in fine arts.

VISUAL ARTS

ADVANTAGES OF A VISUAL ARTS MINOR

To earn the Visual Arts minor, you must successfully complete a minimum of six courses from the list below. The program provides you with the knowledge, skills, and credentials that are valued across career paths. If you plan to enter into the fields of fine art, graphic design, photography, communications, marketing, music, or advertising, this coursework will help strengthen your résumé and prepare you to begin a successful career.
