Dear Class of 2021:

I want to begin by thanking each of you for the patience you have shown as the Commencement Committee continues to thoughtfully and carefully organize a plan regarding Commencement 2021.

Our priorities in planning this celebratory event remain:

- 1. Holding a safe experience for our graduates;**
- 2. Recognizing your hard work, perseverance, and accomplishments; and**
- 3. Maintaining the important and long-standing Franklin Pierce traditions around commencement ceremonies.**

The Committee and the University are committed to providing an experience that will be held on the ground. The diligence our community has demonstrated and our shared response to the presence of COVID on our campus should allow us to safely hold a COVID-adapted on-ground, in-person celebration. However, there will be significant adaptations to the ceremony.

While we continue to finalize the details surrounding the 2021 Commencement Ceremony and other end-of-semester celebrations, President Mooney and I invite you to join us next week for a Zoom Town Hall where we will share updates from the Commencement Committee's recommendations.

As always, please keep your health and safety, as well as that of your classmates and members of our community, top of mind by adhering to health and safety protocols and precautions.

Sincerely,

Andrew R. Pollom, EdD.
