According to the Bureau of Labor Statistics, healthcare is projected to add more jobs than any other industry—sparking a growth of 26 percent between 2012 and 2022. The Healthcare Administration program will prepare you for a variety of opportunities in the healthcare industry, including work in mental health and long-term facilities, government, and public health agencies, insurance and healthcare management companies.

Combine part-time or full-time study and six academic terms, to create a flexible and personalized schedule. Your knowledge gained from life experience is also recognized. Receive college credit for accumulated certifications, professional licenses, on-the-job-training, and other life experiences. You may also be eligible for grants, loans, and scholarships in the form of financial aid.

As a Franklin Pierce University graduate, you will possess the technical and leadership skills needed to expand your opportunities and push your career to the next level.

## HOW TO APPLY

You may apply to the undergraduate program at any time with the rolling admissions process. You must show evidence of a high school diploma or GED; however, no minimum grade point average or admissions tests (SAT, ACT) are required for consideration.

1. Complete the FREE online application by visiting: [franklinpierce.edu/adultapply](http://franklinpierce.edu/adultapply). Applying online is simple and quick; it should take no more than 5 – 10 minutes to complete the entire form. Once received, an admissions advisor will contact you regarding acceptance and class registration.
2. Request transcripts. A high school diploma or GED is required for admission. Additionally, if you transfer credits from other colleges, you'll need to request an official transcript to be sent to Franklin Pierce. You will receive information on how to request these once an application has been submitted.

Franklin Pierce offers personal support through our enrollment team and an academic advisor to assist with onboarding, paving the way for student success. Our teams are ready to help you reach your career and educational goals.
