WINTER ACCEPTED STUDENT & DISCOVERY DAY

THE ARTS AT FRANKLIN PIERCE

Marulli Welcome Center

Explore Franklin Pierce's variety of studio art disciplines and our music program.

ATHLETICS

The Bubble

Ravens compete in NCAA Division II programs as part of the Northeast-10 Conference. Learn more about your future as part of Raven Nation and hear from a panel of student athletes. Our Athletics staff will also share information about NCAA eligibility so you're ready to play!

PSYCHOLOGY

Fitzwater 102

If you are fascinated by human behavior and how the mind works, Psychology may be the perfect major for you. You will be prepared to observe, analyze, research and design experiments while studying interpersonal relationships. This program is aligned with the American Psychology Association guidelines.

RESIDENTIAL LIFE

Spagnuolo Hall

Living on campus is one of the most meaningful experiences in college. You can immerse yourself in campus life and form friendships that last long after graduation. Learn about the residence halls at Franklin Pierce—and how you can land a townhouse overlooking beautiful Pearly Pond for your senior year housing!

ENGLISH & CREATIVE WRITING

Fitzwater 103

We all communicate meaning through words, spoken or written for the page and screen. Enjoy great literature of the past—Chaucer, Shakespeare, and the English Romantics—then, fast forward to the voices of today, including J.K. Rowling, Toni Morrison and Amy Tan. Choose a track in creative writing, education or literature.

ENVIRONMENTAL SCIENCE & POLICY

Library

When you choose an Environmental Science and Policy major, you'll tackle some of the toughest environmental issues that challenge our world today. With our 1,200-acre living learning laboratory nestled between Mt. Monadnock and Pearly Pond, you'll conduct important fieldwork on campus in the woods, wetlands, lakeshores, trails, and gardens. With your knowledge, you'll be prepared to be a key player in the "green economy."

ADMISSIONS 101

Library

The college search can be an overwhelming process, but don't worry- we're here to help! Our Admissions Team will provide tips and tricks on navigating the process and time for Q&A.

HISTORY

Fitzwater 101

Studying history helps you understand the world around you. Our History major helps students build skills for work in museums, historic sites, digital media, archives, libraries and businesses. You'll also learn more about FPU's History Club!

SPORTS MEDIA

Fitzwater Studio

Use your knowledge and passion for sports to develop the skills to communicate effectively with athletes, managers, advertisers, media and fans across the world. You'll have 24 Division II varsity teams to cover on and off campus, and broadcast technology at your disposal. Build knowledge for positions in secondary sports, minor league clubs, college athletics, and the networking skills that can eventually lead to high-visibility careers in major markets.

CRIMINAL JUSTICE

Fitzwater 103

If you are interested in law enforcement, criminal law, the court system or social justice, the Criminal Justice major will prepare you for the mental challenge and high stakes problem-solving demanded by careers in these fields. Learn about student employment opportunities, campus clubs, and organizations in the criminal justice field.

HEALTH SCIENCES

Spagnuolo Hall

A degree in Health Sciences will prepare you to enter countless areas within the hands-on healthcare field including medicine, physical therapy, dentistry, veterinary medicine and pharmacy. According to the Bureau of Labor Statistics, employment in healthcare occupations is projected to grow 16% from 2020 to 2030!

BIOLOGY

Library

In a world of changing climate, expanding (and aging) populations, and shrinking natural resources, understanding the living beings on our planet has never been more critical. With your B.S. or B.A. in Biology, you can work in laboratory, classroom, office or field settings in an area poised for growth! You can also work toward earning your Teacher certification in Biology.

MEET OUR STUDENTS

Marulli Welcome Center

Are you wondering what it's like to be a Raven? Join a panel of current students for a casual chat about their Franklin Pierce experience. We think you'll find that Franklin Pierce is the place for you.

HUMAN SERVICES

Fitzwater 101

Do you have a passion to improve the lives of people in need? With a Human Services degree, you'll be prepared to become a "helping professional." You'll evaluate programs and explore how community resources and agencies can empower individuals, strengthen communities and impact public policy.

MARLIN FITZWATER CENTER FOR COMMUNICATION

Fitzwater Studio

The Fitzwater Center is home to state-of-the-art technology for you to use on projects that reflect your passion! Write for campus publications, host your own television or radio show, or even call sports games live on Raven Sports Network. You can also join PoliticsFitzU and cover upcoming elections.

STUDENT FINANCIAL SERVICES

Spagnuolo Hall

A must-see presentation for high school juniors and seniors! Join Ken Ferreira, *Vice President for Student Financial Services*, as he reviews the next steps for your financial aid planning and offers tips on navigating the process.

CENTER FOR STUDENT SUCCESS

Fitzwater 103

At Franklin Pierce, you'll find the support you need to succeed academically and in all facets of student life. Our comfortably-sized campus means you'll always be treated as a person, not just a name on a roster. You'll come to believe that you've got this because we've got you.

EMERGENCY MEDICAL SERVICES

Fitzwater 103

As an Emergency Medical Services (EMS) major, you will study the field of rapid response while developing the critical thinking and decision-making skills needed to manage emergency situations.

POLITICAL SCIENCE

Fitzwater 101

As a Political Science major at Franklin Pierce, you'll build skills, connections and experience for a career in law, government, politics, education or business. Our graduates are prepared for a J.D., Master's, or Ph.D. level program in the fields of law, public policy, political management, public administration, international relations, or homeland security.

EDUCATION & M.ED. PROGRAM

Fitzwater 102

Teachers shape the lives of young people and leave a lasting impact. Follow your passion and focus your degree on one of the following areas: Elementary Education, General Special Education, or Secondary Education (English, Life Sciences, or Social Studies). You also have the option to continue to graduate school with the online M.Ed. program at Franklin Pierce!

COLLEGE OF BUSINESS

Spagnuolo Hall

Our faculty of experienced business professionals help you apply classroom learning to real-world challenges. Major in Accounting/ Finance, Healthcare Administration, Management, Marketing or Sports & Recreation Management. You'll be prepared to lead in a variety of organizations and businesses. Through the Business Plus+ program, you can complete both a bachelor's and master's degree in just four years, saving both time and money on your path to career success.

COMMUNICATION

Fitzwater 105

As a Communication major, you will pay close attention to the ideas and messages around you and learn to analyze their intent and impact. You'll study both theory and practice and take advantage of the media technology, speakers and hands-on experiences offered in the Marlin Fitzwater Center for Communication.
