

FRANKLIN PIERCE UNIVERSITY

2024 HONOR ROLL OF DONORS

FRANKLIN PIERCE UNIVERSITY

HONOR ROLL OF DONORS 2024

Alumni meeting with President Edén at Pearly House in Fall 2024.

FRANKLIN PIERCE UNIVERSITY

HONOR ROLL OF DONORS 2024

Dear Franklin Pierce University Alumni and Friends:

As always, we acknowledge our dedicated donors in the annual honor roll, and in this case those from the 2023-2024 fiscal year. Additionally, we aim to present the things that were accomplished in large part due to the investments of our supporters, as evidence of the effect financial support has on FPU students, faculty, and staff.

Although I started just this past summer, accomplishments of the 2023-2024 academic year at Pierce are readily apparent, and many are outlined on the next page.

All of these accomplishments would not be possible without your belief in and commitment to Franklin Pierce University and our community of students, alumni, faculty, parents, and contributors. As we look ahead, we absolutely must strengthen and expand not only the flagship campus and its programs in Rindge, but also the critically important academic centers FPU runs in New Hampshire, Arizona, and Texas. We can only do this through your continued engagement and commitment to the present and future of Pierce.

Indeed, looking forward, the FPU Board of Trustees was recently presented with and approved plans for an exciting comprehensive fundraising campaign with a goal of \$10M contributed over 3-5 years. We have many needs and opportunities related to the Rindge flagship campus physical environment, to the graduate studies and related academic centers, to our personalized and flexible learning models, and to career readiness and internship opportunities. Simultaneously, are eager to strengthen the availability of student scholarships as well as strengthen our endowment (the latter sits at \$23M). Preserve, Prepare, Propel: The Campaign for Franklin Pierce University is poised to make history as the largest (in anticipated total giving and investors) show of support for this incredible university.

I know from prior experience as a college president that we are fortunate to have such devoted friends and supporters. The business of higher education is very challenging, and Pierce, like many, is facing significant headwinds related to enrollment, cultural challenges to the value of a college degree, and more. However, I am convinced that the philanthropic spirit tied to this special institution will grow stronger in the years ahead, and many more people will choose to invest wisely in FPU, thus in the lives of people who will lead our world in the future.

Thank you so much.

P. Eden, Ph.D.
President
Franklin Pierce University

Fiscal Year 2023-2024

Sources of Pride and Investment

► **ACADEMIC ADVANCEMENTS**

Among many innovative program updates in 2023-2024, we launched a hybrid (part in-person, part online) Master of Physician Assistant Studies (MPAS) program at our new Academic Center in Round Rock, Texas. In response to the growing demand for licensed mental health counselors, we also introduced a hybrid Master's Degree in Clinical Mental Health Counseling at our Rindge, New Hampshire campus, enabling graduates to become Licensed Clinical Mental Health Counselors in the state.

► **PRIORITIZING ACADEMIC SUCCESS AND CAREER READINESS**

Before his tragic passing, Frederick W. Pierce, IV, and his wife, Christine Pierce, made the largest philanthropic gift in the University's history—a pledge and bequest equaling \$1,750,000—to establish the Dr. Kim Mooney '83 Student Success Center. Fred, a valued member of the Board of Trustees since 2017 and Chair from 2019 to 2023, leaves behind a legacy of exceptional leadership and commitment to FPU. Their generous commitment will centralize essential student services and support, fostering academic success and enhancing career readiness for graduates.

► **MODERNIZING LEARNING SPACES AT THE RINDGE CAMPUS**

The Marlin Fitzwater Center for Communication is undergoing an expansion and modernization thanks to Robert M. Patterson '69 and Nancy A. Patterson. This contribution will nearly double the size of the Patterson Television Studio, add a new video editing suite, and upgrade media learning spaces, greatly enhancing practical media education and experiential learning for students. We are grateful for the incredible dedication by the Pattersons whose cumulative giving has surpassed \$1 Million to FPU with this latest commitment.

The George I. Alden Trust committed \$100,000 and the Grimshaw-Gudewicz Charitable Foundation contributed \$28,000 to improve teaching and learning environments in Marcucella Hall, the main facility for the College of Health and Natural Sciences.

► **DIVISION II NCAA ATHLETICS POWERHOUSE**

The men's soccer team won the NCAA DII championship for the second consecutive year, and FPU students introduced the first NCAA-sanctioned Spanish-language broadcast for the Division II Soccer National Championships. Other notable achievements include the men's outdoor track and field and tennis teams finishing second in the NE10 conference, the men's cross-country team reaching the national championship, and the baseball team competing in the conference championship. Additionally, the women's soccer and lacrosse teams participated in their conference tournaments. Outstandingly, our student-athletes execute on and off the field with an academic-year GPA of 3.32.

► **CREATING A SAFER COMMUNITY**

We received a \$400,000 grant from the Department of Justice, administered by the Office of Violence Against Women (OVW), which will enhance safety for our students. This funding will support the "Ravens Raising All Voices against Violence" (Ravens RAV2) project, a collaborative initiative between FPU, the Monadnock Center for Violence Prevention, and regional university partners.

SCHOLARSHIPS HELP RAVENS SOAR

Scholarships help break down financial barriers and allow Franklin Pierce University to offer generous financial packages to students, allowing them the opportunity to access a quality education and preparing them for a bright future. Education opens doors to better career opportunities, higher income potential, and improved social mobility. With your support, scholarships help provide an opportunity for deserving students to overcome financial limitations and achieve their educational goals.

Donor-supported scholarships also show our students that there is a broader community that cares about their educational journey. Knowing that generous donors are helping make their Franklin Pierce experience possible can have an inspiring impact on scholarship recipients, and in many cases encourages their generosity once they have graduated and are in a position to give back.

By supporting a scholarship at Franklin Pierce, you invest in the future of an individual, enabling them to reach their full potential and contribute positively to society.

Scholarships help students bridge financial gaps and create opportunities for many students to afford a Franklin Pierce University education. In addition, scholarships provide a way for alumni and friends to develop a lasting legacy at the University. Additional gifts may be made to a scholarship at any time.

The success of our students is made possible, in part, by these transformative scholarships. We are grateful for this commitment to Franklin Pierce University.

FRANKLIN PIERCE UNIVERSITY

HONOR ROLL OF DONORS 2024

LEADERSHIP GIVING SOCIETIES

Franklin Pierce University's donor recognition societies highlight the alumni, families, and friends who support our students through their philanthropy and ongoing commitment.

The **PIONEER LEGACY SOCIETY** recognizes donors who have included Franklin Pierce in their estate plans and is named in honor of alumni from Franklin Pierce's first ten graduating classes, proudly referred to as the "Pioneer Classes".

The **1962 LEADERSHIP GIVING SOCIETY** celebrates our most generous annual donors. Members have a deep and immediate impact on the Pierce student experience and have special access to select University programs and publications. The 1962 Leadership Giving Society includes donors at the following levels:

Founder's Circle	\$10,000 and more
New Hampshire Circle	\$5,000 - \$9,999
Monadnock Circle	\$2,500 - \$4,999
Granite Circle	\$1,000 - \$2,499

The **MANOR SOCIETY** honors all donors who give to the University for five or more consecutive years. Graduates of the Last Decade (GOLD) are automatically included in the Manor Society when they make their first gift and continue as members as long as they continue to give.

PIONEER LEGACY SOCIETY

Franklin Pierce is pleased to recognize the following donors who have included Franklin Pierce in their estate plans.

Helen M. (Ament) Astmann '69, P'95
