To All,

I hope this letter finds you safe and well. Since the start of the Coronavirus Pandemic we have and will continue to monitor all information from the Centers for Disease Control and Prevention, the New Hampshire Department of Health and Human Services and other federal, state and local agencies.

For Summer 2021:

To bring guests to campus we will strongly enforce that everyone be responsible and interact in ways that meets the guidelines set forth for social distancing, wearing facemasks and group meeting size. This is for the safety of our guests and our employees.

Please feel free to call or e-mail at any time for information about Franklin Pierce University. I am happy to speak with you on the phone to discuss all details. We look forward to welcoming you to the beautiful campus of Franklin Pierce University and experience all it has to offer.
