The Office of Career Education collects information about Franklin Pierce University graduates from the Class of 2024 graduating baccalaureate cohorts in December 2023, May 2024, & August 2024. Data collected through Handshake and analyzed by the Office of Career Education in the Lloyd & Helen Ament Astmann '69 Career Center Data collection is focused on first destinations within the first 6 months of graduating.

First Destination summaries are based on the Knowledge Rate of graduate outcomes six months after graduation according the guidelines for undergraduate outcomes data collection and reporting National Association of Colleges and Employers (NACE). Knowledge Rate, defined by NACE, includes direct survey responses and basic employment or graduate school information confirmed through LinkedIn, employer reports, and faculty.
