EIGHT DIMENSIONS OF WELLNESS

The Wellness Living Learning Community at Franklin Pierce University is committed to following the eight dimensions of wellness.

Join this learning community to explore wellness-themed programming each month. You can also connect with professional staff members who will help support your wellness life choices.

Wellness programs include:

- ▶ Outdoor, adventure excursions
- ▶ Creative arts therapy
- ▶ Informational sessions with academic counselors
- ▶ Workshops on financing college beyond the first year
- ▶ Service learning initiatives with local charities

Please indicate your interest in joining the Wellness Living Learning Community on your New Student Questionnaire found at campusweb.franklinpierce.edu. Click on the Campus Life tab to complete this form located in the left hand column.

Wellness students are strongly encouraged to sign up for the First Year Inquiry theme of Health and Wellness.
